About

Metal AMS is the first French Scientific Symposium 100% dedicated to the Metal Additive Manufacturing technologies. Organised by the French Metal AM community in collaboration with major R&D players from around the world, it addresses every step of the AM value chain. The Symposium presents on European areas of expertise including: design, materials, simulation, direct and sintered-base processes, monitoring and control/qualification challenges.

For 2024, we are pleased to welcome southern European guest countries : Italy, Spain and Portugal and exceptional presentations from Australia and Singapore.

Themes

The selected topics concern the various aspects of additive manufacturing with a special focus on sustainability and environment impacts:

- Design methodologies
 - Material development and optimization
 - Direct simulation
 - Sintered-base simulation
 - Processes development and optimization
 - Process monitoring and control
 - Big data for AM
 - Post processing and material control
 - Durability and qualification
-

Organisation

An exhibition will be held during the conference and will be situated close to the conference rooms. Coffee breaks and lunches will be served at the venue and all breaks of conferences. An opportunity will be given to each exhibitor to present their products and services. Your involvement with this event is an effective way to network with key decision-makers, helping you to capture your target audience when they are in the frame of mind to do business.

Our flexible opportunities allow you to:

- Showcase new products
 - Raise awareness of your organisation
 - Increase brand awareness
 - Influence other organisations' buying decisions
-

Organising Committee

Ferdinando AURICCHIO, University of Pavia / **Jean-Jacques BLANDIN**, Initiative 3D, Grenoble INP - Univ. Grenoble Alpes, CNRS / **Carmen CEPEDA JIMÉNEZ**, CENIM-CSIC / **Eric CHARKALUK**, GIS HEAD, CNRS, Ecole polytechnique / **Eric HUG**, GDR ALMA, CNRS, UNICAEN / **Nicolas SAINTIER**, Addimalliance, GIS HEAD CNRS / **Benoît VERQUIN**, Cetim

Become a Sponsor

Choosing one of our sponsorship packages will give you many opportunities to make your company stand out. Our sponsors will have several benefits through this strategic investment:

- Improving the visibility and reputation within industrial and academic delegates
- Contributing to success of high level International Conference dealing with Metal Additive Manufacturing
- Having access to high level researchers and decisions makers

Sponsoring Packages

	Silver 1900€	Gold 2400€	Platinum 3500€
Conference registration with gala dinner	1	2	3
Verbal announcement of sponsoring during the opening and closing sessions	✓	✓	✓
Logo on the program cover	✓	✓	✓
Logo on the event website metal-ams.org	✓	✓	✓
URL link on the event website metal-ams.org	✓	✓	✓
Sponsor tagged on all LinkedIN posts during the event (2 days)	✓	✓	✓
Logo on the digital abstract cover		✓	✓
Sponsor flyer or documentation* inside the welcome bag		✓	✓
Sponsor promotionel gift* inside the welcome bag		✓	✓
Dedicated LinkedIN post to present the sponsor		✓	✓
20% discount on the exhibition booth			✓
Choice of booth place			✓
Logo on the live streaming website during 2 years			✓
Logo on the auditorium wall banner			✓
Logo on the menus (at lunch and gala dinner)			✓
Sponsor kakemono* displayed at the gala dinner			✓
